Date:

What to Bring:

Please bring your **REFERRAL LETTER** on your first visit and **MEDICARE CARD** to all appointments

Consultations

1. Previous sleep study, cardiology, scans/Xrays/pathology results
2. Current medication list or medication(s)

Home-Based Sleep Study

1. Wear comfortable bed clothes (front opening attire preferable)
2. It is advisable not to take public transport or to arrange social activities afterwards as wires will be attached to your head, body and legs.

In-Lab Sleep Study

1. Comfortable bed clothes (front opening attire preferable)
2. Toiletry items (incl. shampoo, bath towel, toothbrush)
3. Medications (if required) & light reading material

Your doctor has referred you to Centurion Healthcare. If you prefer to use an alternate provider, please discuss this with your doctor first.
